

Policy for Dormant Client Account

We shall treat a client account as dormant/inactive if no trading has been done in that client account during preceding twelve months. Client will be required to submit a request letter along with proof of address, latest bank and demat account, financial detail, telephone/cell no. and email id for reactivation of a dormant/inactive client account. We shall interact with the concerned client to reactivate a dormant/inactive client account. We shall return assets pertaining to a dormant/inactive client account within thirty days from the date it being ascertained as dormant/inactive in the manner specified hereinabove.
